

To All Students and Parents:

Please be advised that Stratford Transit will introduce its new route service starting Sunday, December 16.

As part of that new service, effective Monday, December 17, we will no longer be operating the **#4 School Special** that shuttles riders direct to the Cooper Terminal. The **#1/#2/#3 School Specials** will continue to operate on the same routes as they do now until the New Year, when those routes will be expanded to cover a larger service area in conjunction with the new service routes introduced on December 16.

Here's a summary of the changes:

- The **#1 Huron** will continue to stop on Oakdale for Northwestern and St. Mike's students, and will start a new service on O'Loane Avenue to the Jennann Subdivision.
- The new **#3 McCarthy** will also stop on Oakdale for Northwestern and St. Mike's students.
- **Afternoon School Specials #2 and #3** will shuttle students directly to the Terminal, and then proceed on their normal school special routes.
- Central Students will continue to be dropped off/picked up on Church Street on the **#3 Special**. Due to safety concerns for all students, the bus stop at Scotiabank will be removed and re-located to the Shakespearean Gardens area (near the Courthouse) so that students no longer have to cross the road to board the **#3 Special/#1 Huron**.
- For the morning run, Transit will be monitoring ridership on the **#1 Huron, #3 McCarthy** and **specials** from the Terminal, and potentially marshalling riders from one bus to another to manage capacity to make trips as comfortable as possible.

Please visit <https://www.stratfordcanada.ca/en/livehere/transit> for new route information.
